Dedication

As we go through life, our paths will cross many types of people. Some we will remember, others we will forget, and others there will only be a faint remembrance.

The people that we remember seem to have special gifts for those around them. These gifts include kindness, concern, compassion, thoughtfulness, love, courtesy, and the desire to help those around them that are in need.

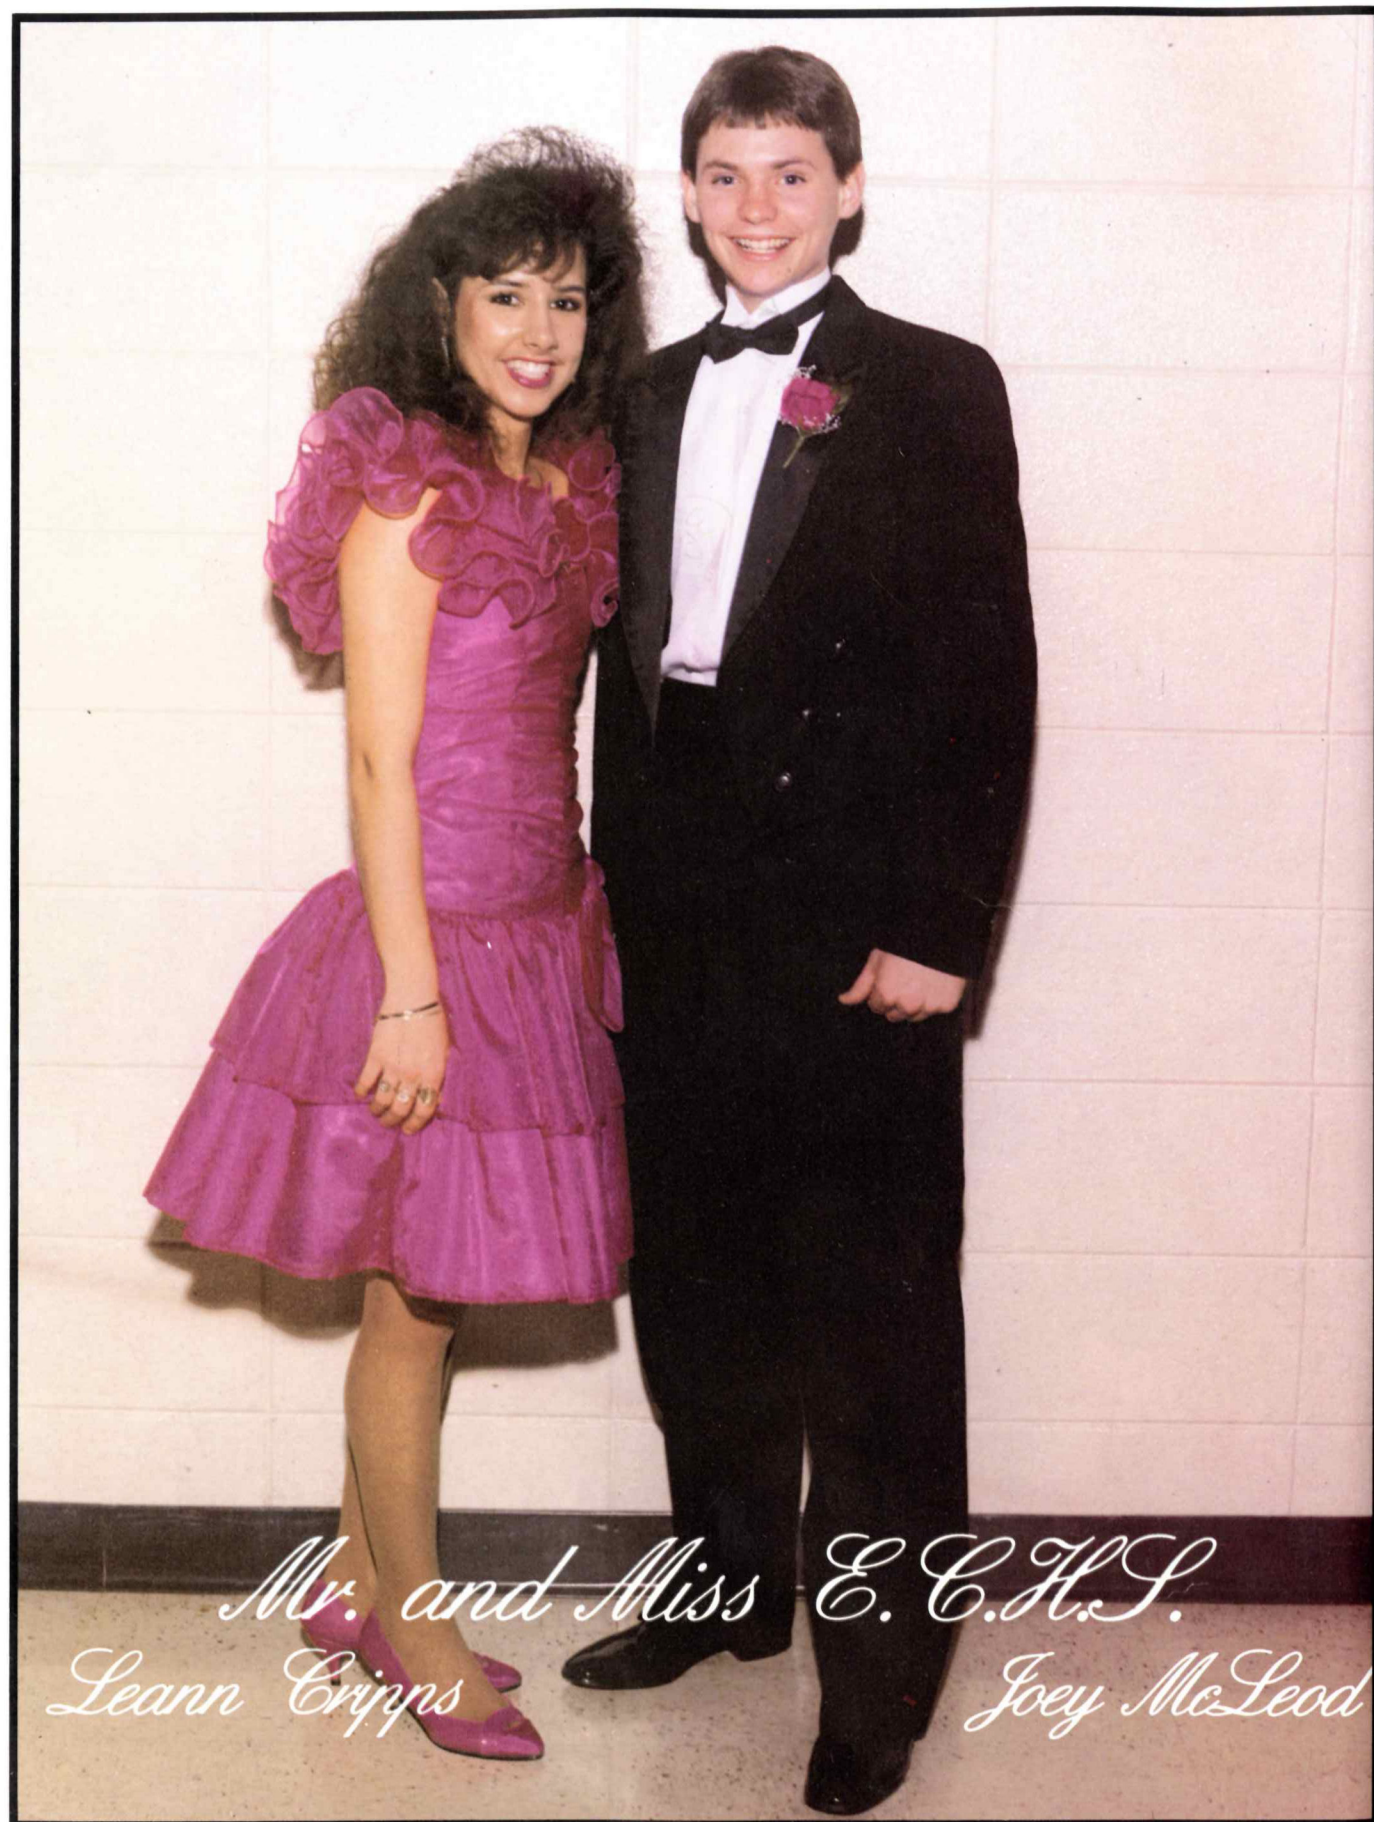

We have had the privilege to know one of those special people that we will always remember. All who know him are recipients of the gifts he possesses. These gifts he gave without thought of repayment. He has touched our lives daily with love and caring. He is there when a student looks for that familiar face in the stands or outside the fence. His concern for others will long be remembered.

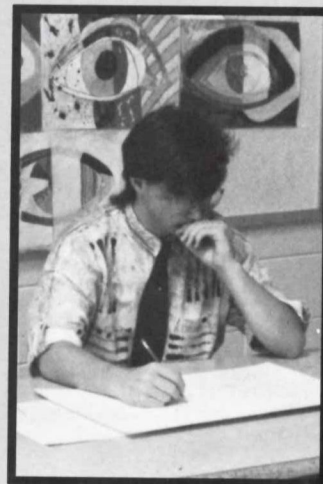

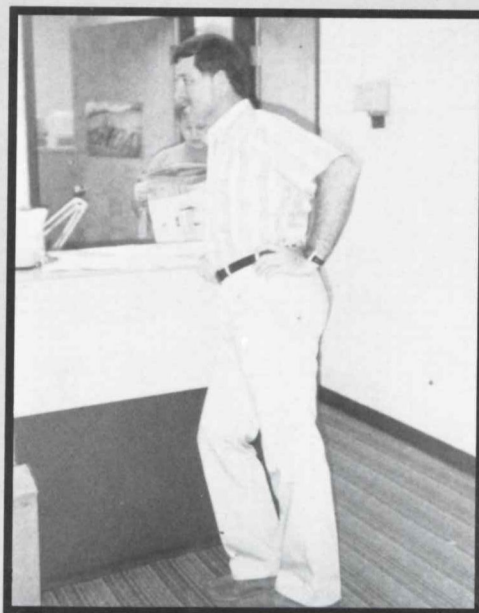

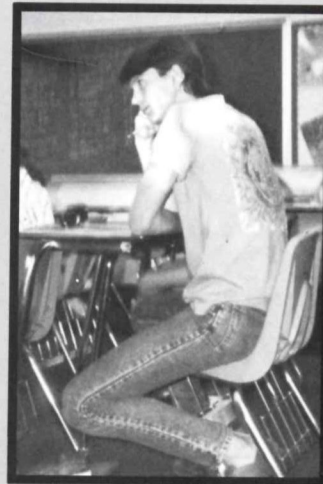

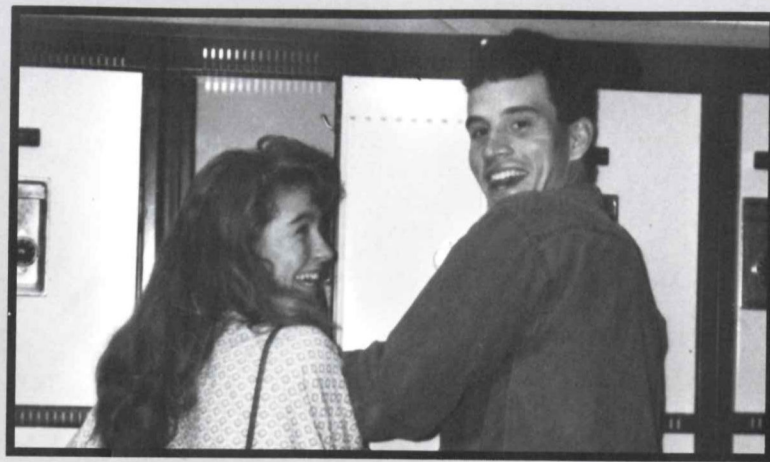

In honor of the life of this man toward the betterment of our school and community, the annual staff proudly dedicate this annual to Mr. Martin Goar, one of those special people we will always remember.

Appreciation

For his patience and understanding, his genuine interest in the school and its students, for everything he's unselfishly done to improve the school system, and for personally helping to make this yearbook possible, the Annual Staff would like to express our sincerest and deepest appreciation by way of dedication to Mr. Tim Anderson. Because of the special efforts of Mr. Anderson this annual has indeed been special.

SENIORS!!!

This one's for you . . . THANKS!

(Stephanie)

Through the efforts of a lot of students, this yearbook is possible. It reflects the students, faculty, and administration as they **really** are in their daily lives. Each of us change, sometimes daily, and we experience emotions of love, caring, kindness, hurt, laughter, and tears. We are shaping who we are to finally become. Life at school is a learning experience not only in the sense of textual knowledge but also spiritual and emotional. Our theme for the yearbook was chosen because through our experiences at school we are truly "Shaping our Future." It takes **all** the emotions to make a person complete. This school tries to instill in the students confidence in oneself to set realistic goals, then with complete determination to reach those goals. New and higher goals are then set. Thus, through class experience, sports activities, organizations, and discipline, we truly are *shaping our futures*.

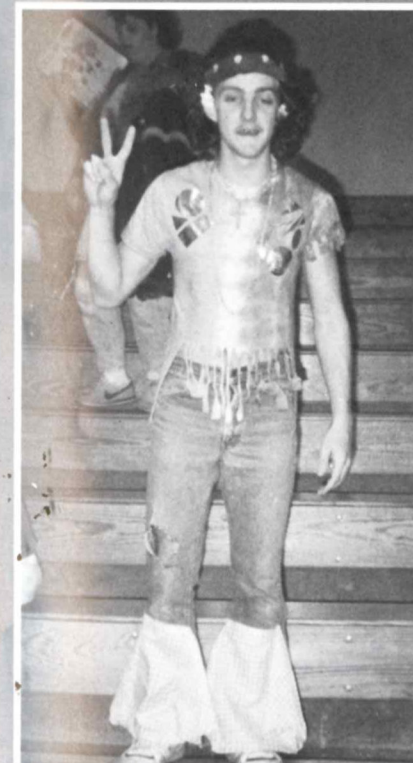

Hornet Spirit

Behind every football team is a current of school spirit. This was certainly the case at E.C.H.S. homecoming week. Students school-wide displayed their spirit by dressing up for the outrageous week.

This year spirit week was October 9-13. Monday was college day. Everyone wore their favorite college sweatsuits and others dressed as college mascots. Tuesday was cartoon day, Wednesday was 60's day, and Thursday was black-out day. Then on Friday, which was spirit day, the walls began to rock!

Everyone was dressed in maroon and white. The band played, the players roared, the cheerleaders cheered and the student body yelled, as the pep rally began. The spirit continued into the night and throughout the dance. It is this spirit that keeps the Hornets striving for excellence year after year.

JR. / SR. PROM — 1990

If Only for One Night

Prom 1990 was definitely an event marked down in ECHS history. By popular demand, **Ron Anthony of WABB** supplied music and entertainment. The junior class formed the Prom Committee to create ideas for decorations and refreshments for the event. Many weeks went into the careful planning of this social highlight of the year, much work and preparation has to be done to make the evening a memorable occasion. The 1990 junior class and **Mr. Steve Beverly** (Sponsor) deserve a round of a applause for a job well done.

Again this year, a Sweetheart Ball was sponsored by the Annual Staff. Kim Shattles was crowned Sweetheart Queen and Chad Ardoin Sweetheart King. Together they raised \$510.25 to help keep yearbook costs down. Sweetheart maids were: 12th grade — Tiffany Parker, Leann Cripps; 11th grade — Meloneese Wells, Julie Hulsey; 10th grade — Amy Lassitter, Rhonda Ard; 9th grade — Stefani Goff and Kim Shattles.

The dance was a smashing success and a good time was had by all. The decorations included 7 balloon arches and several floating hearts. Upon entering the dance one walked through a path of floating hearts toward a magnificent balloon arch. It was truly the perfect setting for the dance. Undoubtedly, the Sweetheart Ball has become a cherished tradition in the hearts of the East Central Students.

Hangin' Tuff

The 1989-90 football team was determined to be their "best." Many started pumping iron early in the summer months getting ready for the big season. And what a big season it was as the Hornets faced one of the toughest schedules this team had ever seen.

As the **Hornets** closed their season with a 3-7 record two players were asked their opinion of the season. Senior guard **Chuck Collum** responded by saying, "Although our record doesn't show it, there was a great amount of leadership and unity as a team. Thank you Hornets for making my senior year enjoyable." Senior tackle **Mike May** also gave his opinion, "Although we had a better record last year, we put twice as much effort into the game this year. Next year the Hornets will go all the way!"

The Spirit of East Central

The 1989-90 varsity cheerleaders attended summer camp at William Carey College, which was hosted by the National Cheerleaders Association. The Hornet squad received excellent and superior ratings on all of their performances and also were awarded the coveted "Spirit Stick." The girls competed with others from surrounding states and were selected as finalists. Five girls from the camp were selected to compete in the All-American-Competition. Kellie

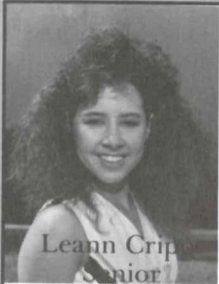

Gonzales, much to East Central's delight, won the title of All-American Cheerleader, with the opportunity to perform at the Eagle Aloha Bowl in Honolulu on Christmas Day.

J.V. Football . . .

Do the Stats Lie!

The J.V. football team this year has played hard against each opponent. Although the team won only 2 of 8 games, the team learned many techniques that will follow them throughout their lives as well as their football careers.

The players are looking forward to next year as this unique group becomes part of the high school team. They have high expectations because they know that East Central produces a winning team.

Keep up the good work Hornets, we're behind you all the way!

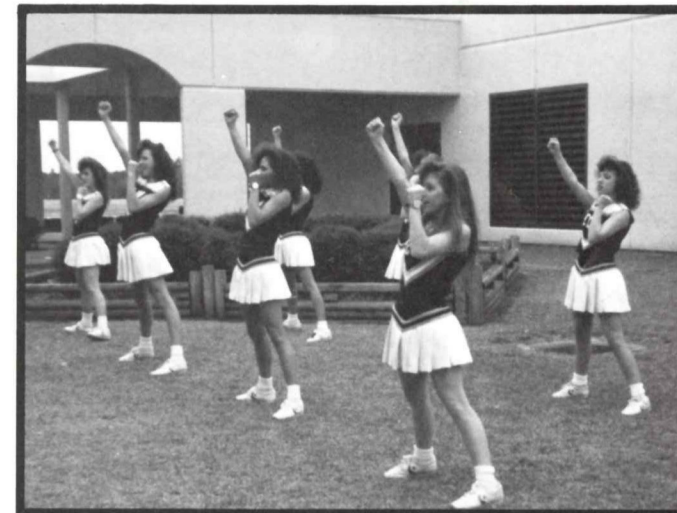

J.V. Cheerleaders

J.V. Spirit? You Better Believe It!

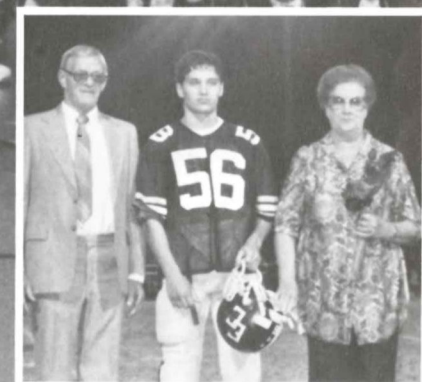

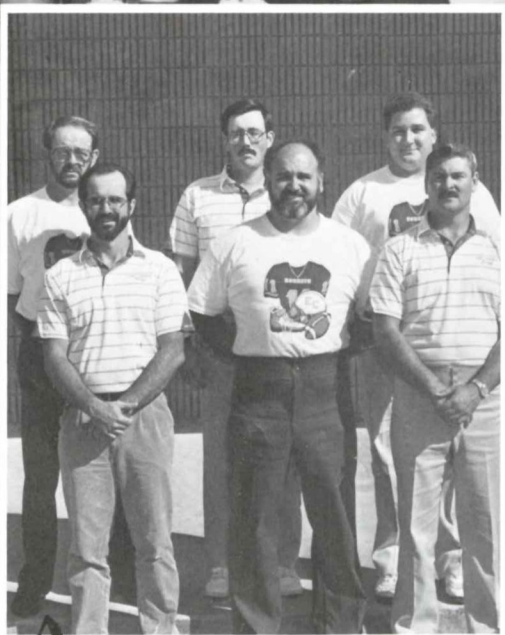

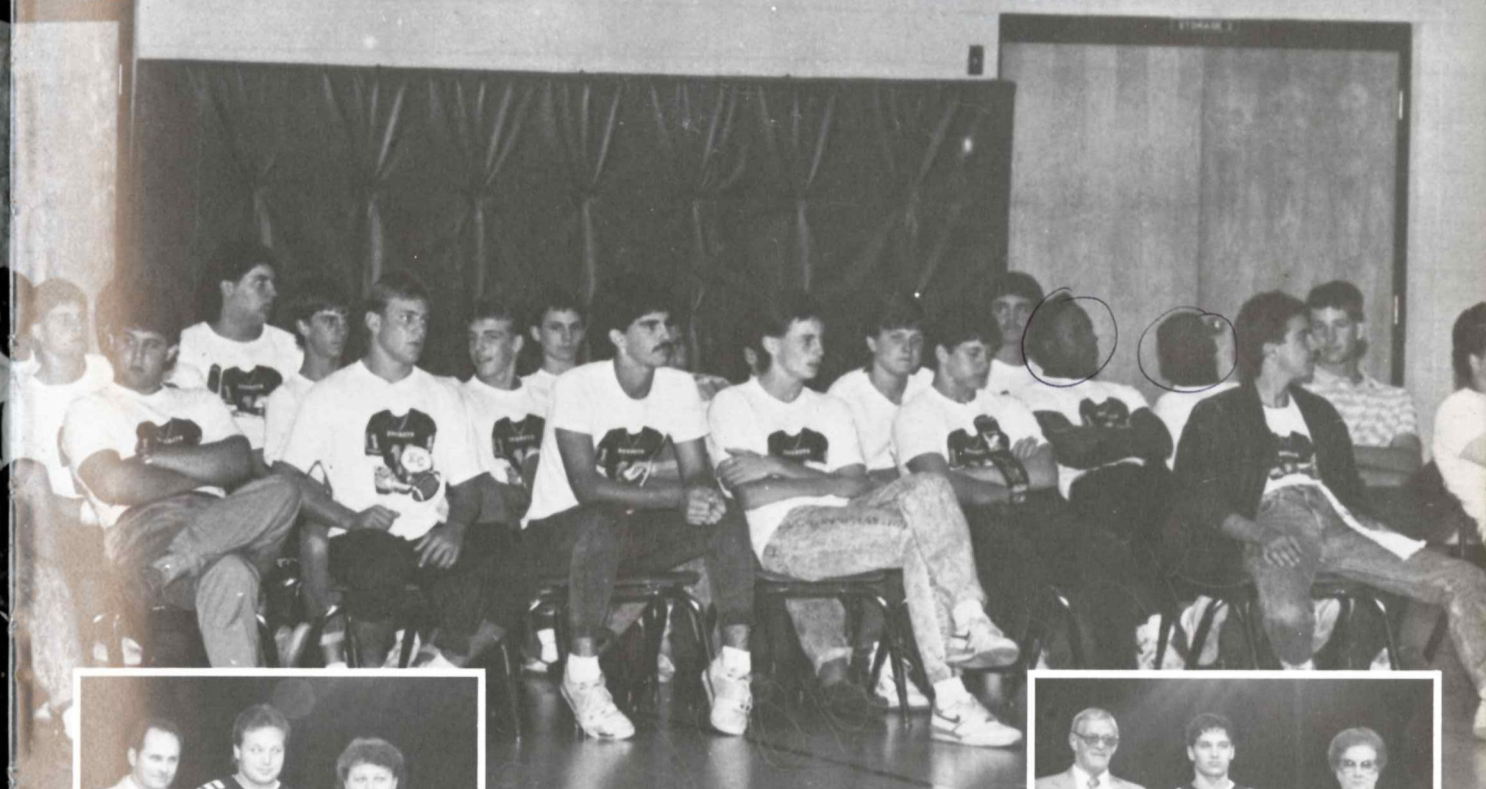

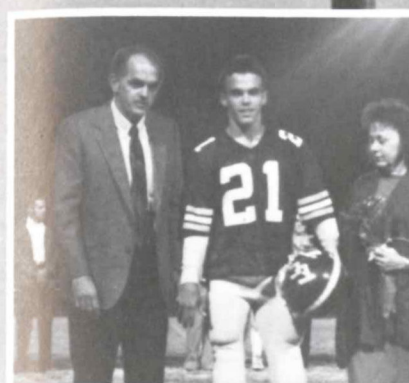

The East Central Junior Varsity Cheerleaders attended the Elite Cheerleading Camp June 19-June 23 at Perkinson Junior College. The squad learned many new cheers, a new dance, and original pom-pom routine, and mounting and cheering techniques.

The squad was recognized by Elite judges for their **excellent** and **superior** cheering and chant routines. The squad won **three excellent** ribbons and **two superior** ribbons for their home cheer, chant, and camp cheer. The squad also received a spirit stick for their enthusiasm.

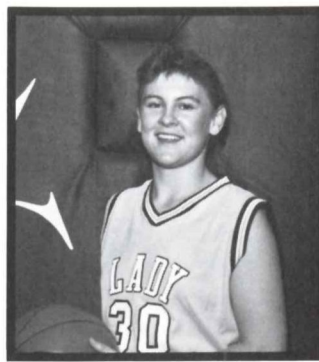

The four day camp ended with a talent night. **Kandi Walding** dressed in a beach costume and performed by singing "Under the Board Walk." All the cheerleaders had a good time and learned a great deal.

Varsity Boys

The East Central High School boys' basketball team has wrapped up another tough season with a 3-12 record. First year coach **Ford Turner** stated that he wanted to instill in the team standards they could depend on later in life and that one should never quit — but work hard for what you really want. One of the Hornet's most impressive wins was over George County in which the team displayed that winning Hornet Spirit. They have shown great team spirit and determination this year as they look forward to an even better season next year.

Varsity Baseball

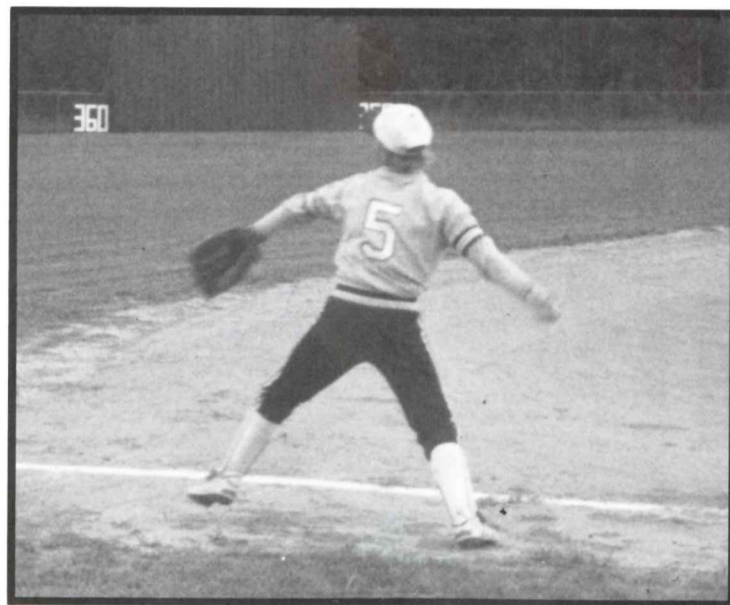

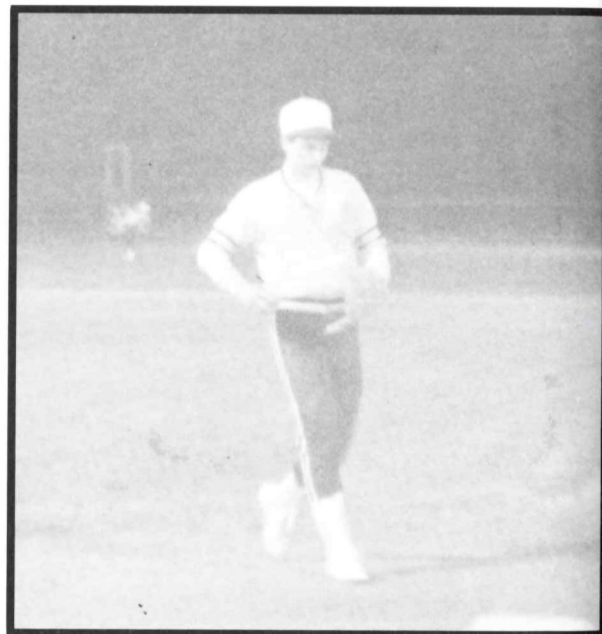

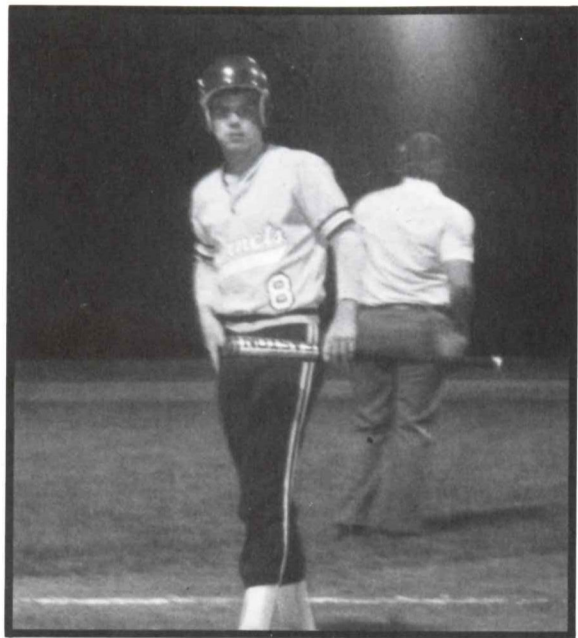

As the ball sails through the air and touches the glove of the right fielder, the fans leap to their feet to watch the final out made by the Hornets. A scene from the major League? NO! Just one of the outstanding plays of the Hornets. The enthusiasm of the team this year was explosive. The varsity team consisted of Shane White, Johnny Trammell, Greg Welborn, Michael Jackson, Damon Westfaul, Tony Davis, Tommy Huff, Joey McLeod, Brian Williams, Jason Hudson, Lowery Smith, Matt Cochran, Kyle Jones, Chad Ardoin, Jerry Loper, Dale Johnson, and Donald Ellzey. J.V. Baseball consisted of Jason Hudson, Kyle Jones, Brad Vick, Ebby Stewart, Gary Ates, Vance Warden, Eddie Coleman, Chad Ardoin, Shane Scarbrough, and Dru Marshall. The teams played hard this year for Head Coach Rocky Long and Assistant Coach Steve Roudolph.

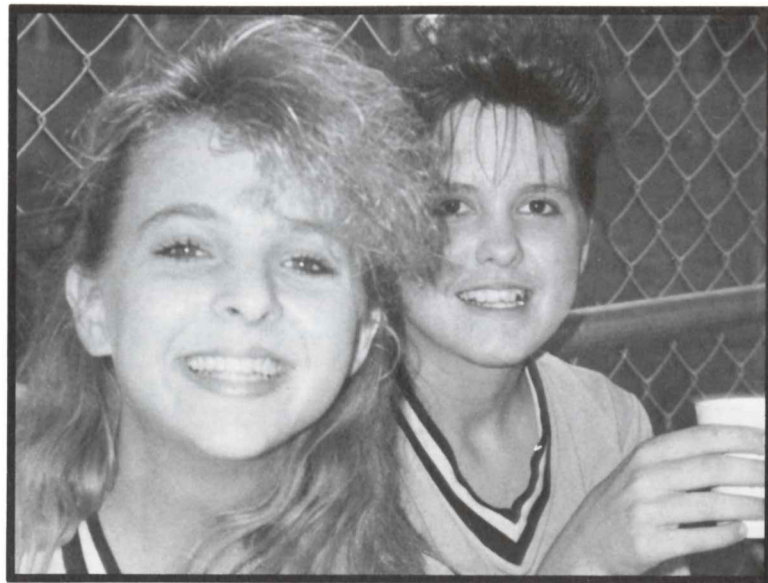

JV BASEBALL

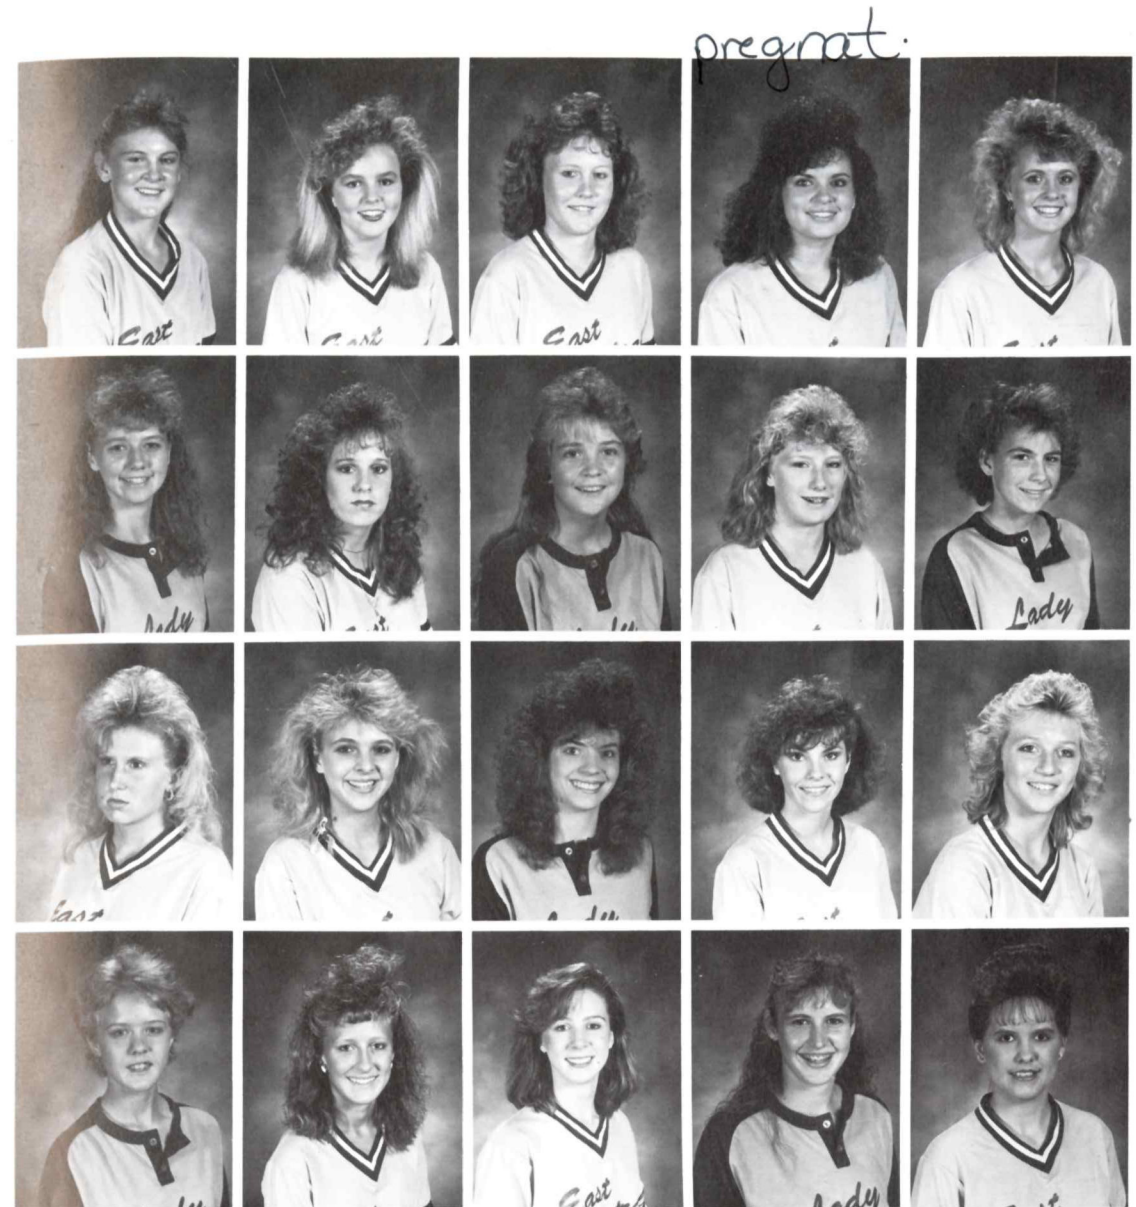

The Lady Hornet Softball Team ended their season with a 6-6 record for the district games. The team showed their enthusiasm and spirit by participating in three tournaments in which the entire team put forth their best effort. A special recognition goes to **Kelli Clark** who received the Most Valuable Player award and **Kasandra Jones** who received the Golden Glove award. The Golden Glove award is given to the player with the best defensive plays. The Most Improved Player award went to Kaycee Self, a freshman and a player who, in the eyes of the coaches, has great potential as a winning player. **Kristi Parker** took the Highest Batting Average award with a .423 and **Angela Davis** received the Coaches Award as the most coachable player. Eleven players lettered this year with all team members returning next year with the exception of senior Holli Miles. **Coach Terri Bailey** comments, "We were a young team this year and should be much more mature and experienced next year." The Lady Hornets look forward next year to a tough and exciting season.

The Sound of Music

The ECHS Band is always there giving support to the football team — that is where most people see the band. Little do they know that there are many other functions in which the band participates. Things like basketball games, parades, and also competitions in which the band performs before a panel of judges that rank the band on a scale of 1 to 5.

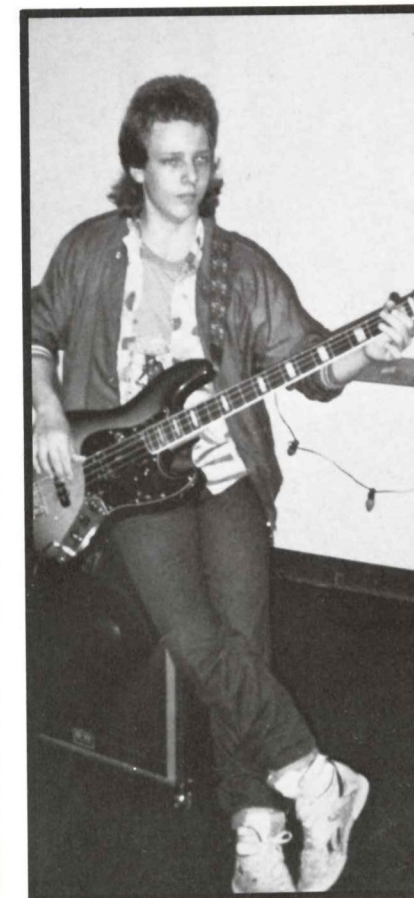

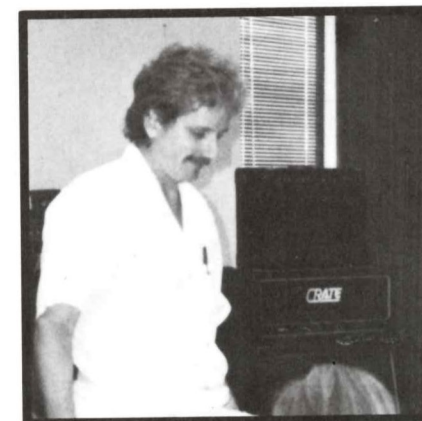

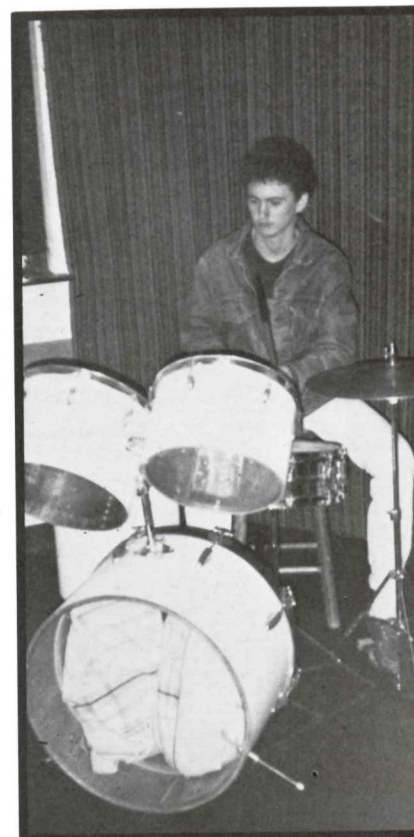

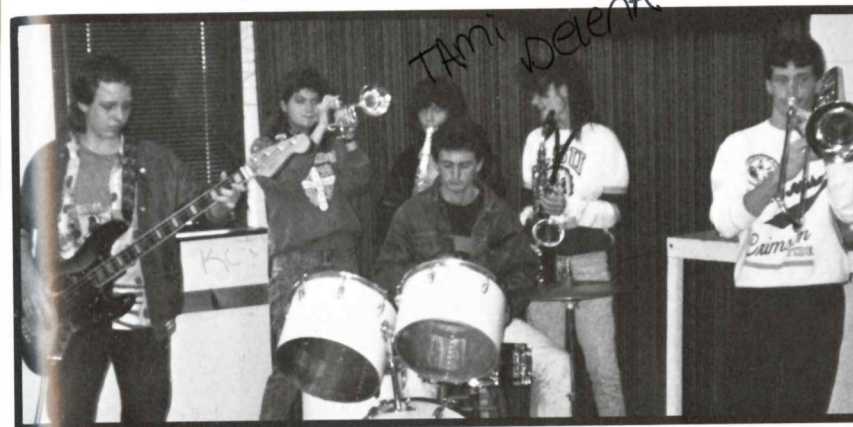

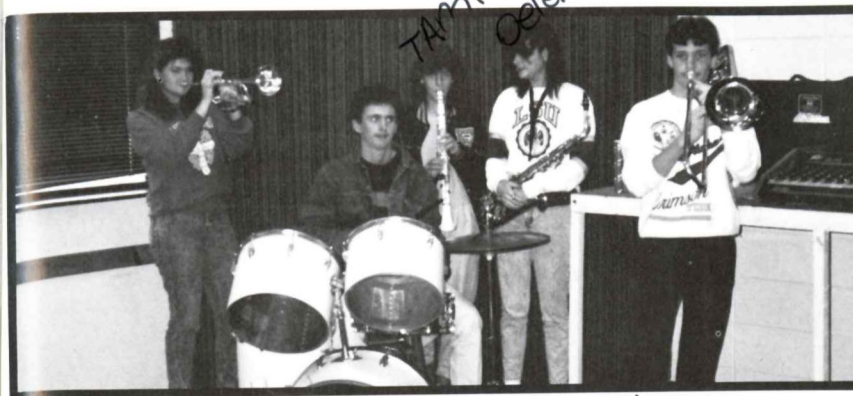

Much preparation time goes into the concerts that are performed for the student body and parents. The concert and basketball season occur simultaneously thus the band is in demand. But there is nothing that is asked of a band student here at ECHS that is not carried out.

This year the band is planning the annual end of the year trip to the Bahamas. They are making plans to perform for the people in the Bahaman town of Nassau.

Jazz Combo

Mr. Elkins has done a great job with the Jazz Combo in the past and this year the Combo is even better. The students really do their best when it comes to Jazz. The Jazz Combo has participated in many functions throughout the year such as, fairs, basketball games, pageants, and Jazz Festivals. The Combo practices hard to do their best as we have seen by their performance this year. We are **PROUD** of YOU!!

DECA

Distributive Education Clubs of America

DECA at East Central got off to a good start this year with lots of fun activities lined up with the National Career Development Conference in San Jose, California, being the final goal. The program consists of 30 Co-op students who earned over \$8,000 in wages during October because of employment through the program. The success of the program is dependent primarily upon private industry and community involvement. A candy sale was held, the members participated in the DECA Quiz Bowl at JC,

Kasie Hancock set up a display at the county fair, and during the month of November the annual Salvation Army canned food drive was conducted with over 450 food items collected. The Mr. and Mrs. Turkey winners were selected by students casting their vote by donating a food item — each item equaling one vote. The winners were **Mrs. Corkhill** and **Mr. Beverly**. The DECA officers for this year are **Kristi Hamilton**, President; **Steve Farmer**, Vice President; **Susie Seward**, Treasurer; and **Kasie Hancock**, Reporter. **Mrs. Mary Ann Byrd** is the advisor.

Teen Connection

Since its inception in the fall of 1981, DREAM (Drug Research and Education Association in Mississippi), has provided numerous programs, conferences and projects for the general public. Special youth projects such as Kids Against Drugs: Dream II Conference, Youth In Action Conference, and regional youth seminars made us aware that Mississippi's teens wanted to become even more directly involved in the effort to curb the use of drugs among their peers. They wanted to play an active role in developing and implementing positive alternatives to drug and alcohol use. The Teen Connection Project was developed by DREAM to unite these young people through structured activities during the school year. Materials for the project are provided by a grant from the Mississippi Governor's Highway Safety Program. Members of the group at East Central are **Theresa Slider, Tammy Carter, Michelle Cossey-Porter, Tashika Reddix, and Tess Wells**. The group is sponsored by Mrs. Judy Raiola.

In the Library . . .

TRACY

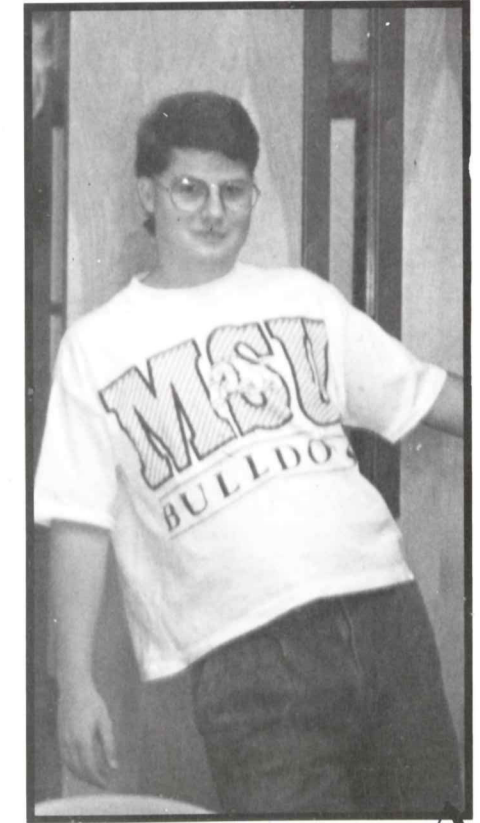

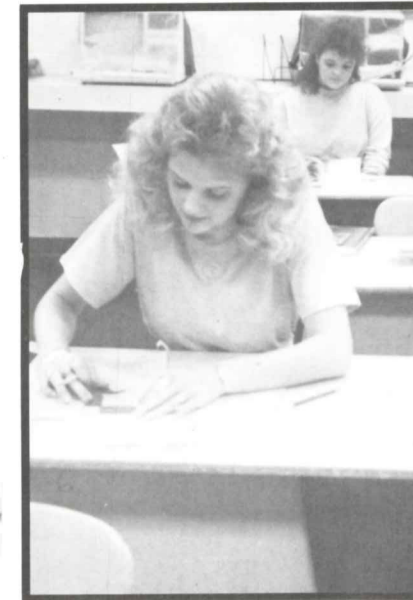

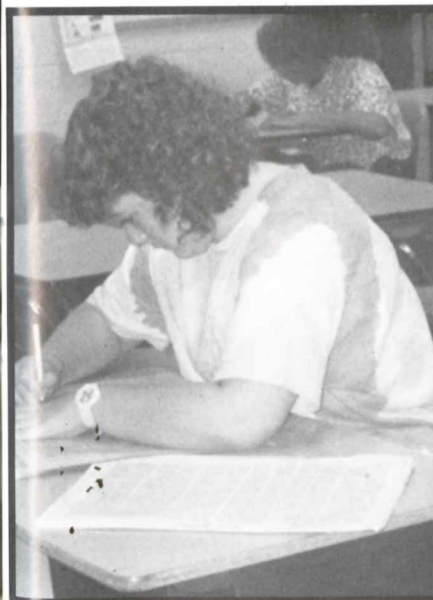

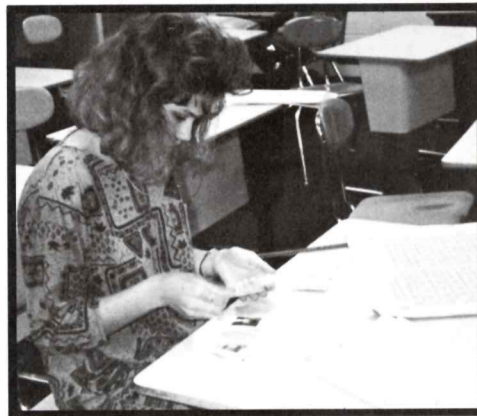

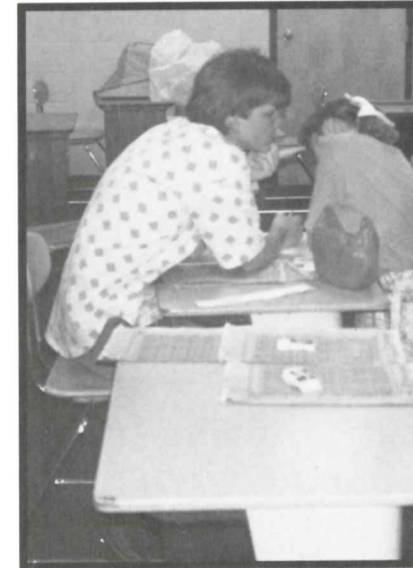

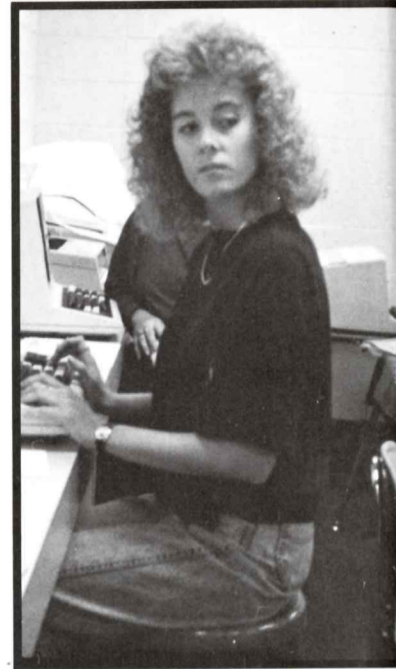

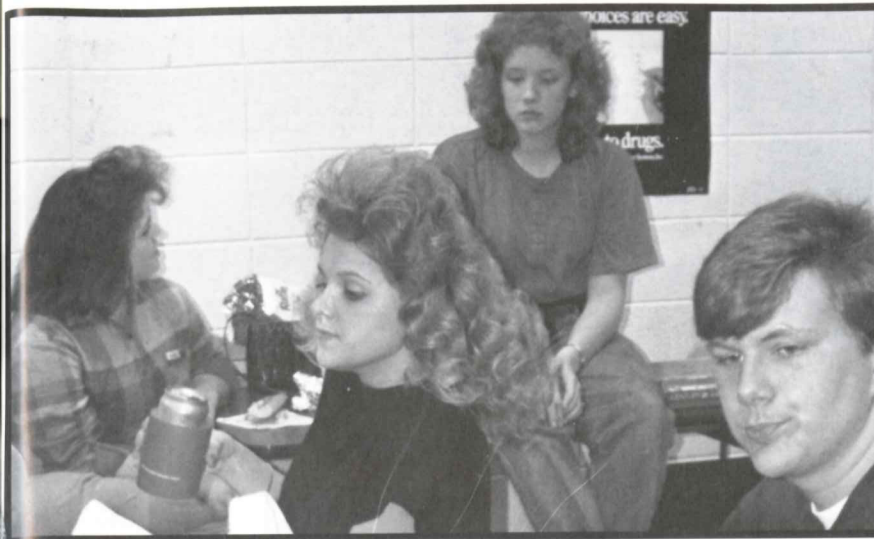

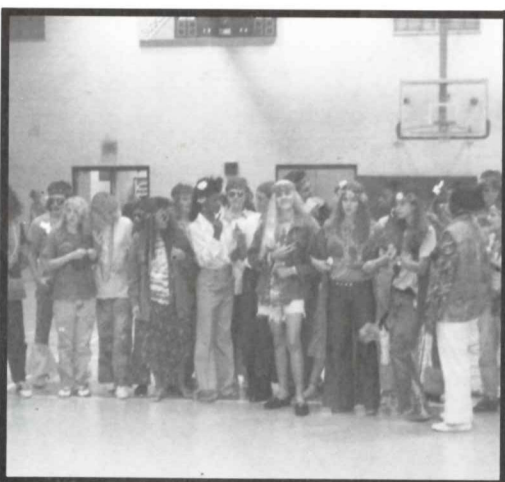

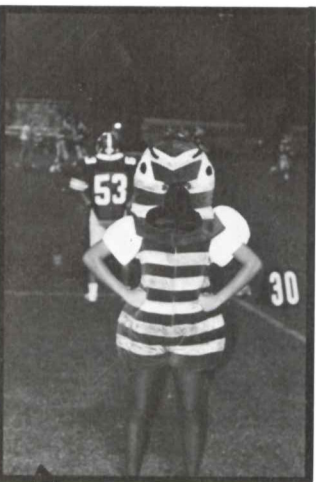

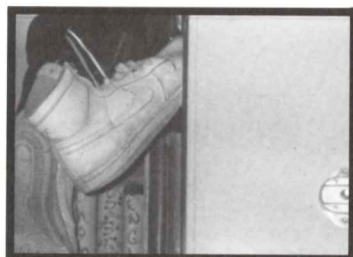

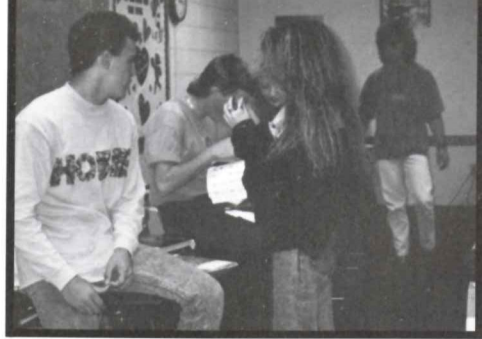

Each year several students have the opportunity to become library assistants. During the year, librarian, Carol Rudolph, instructs those students how the library and the library equipment works. The experience they gain will help them in their future when they need to use such equipment. They also assist fellow students as they check in and out books and materials needed to further their education. Our librarian and her assistants definitely deserve a round of applause.

THE 1990 ANNUAL STAFF

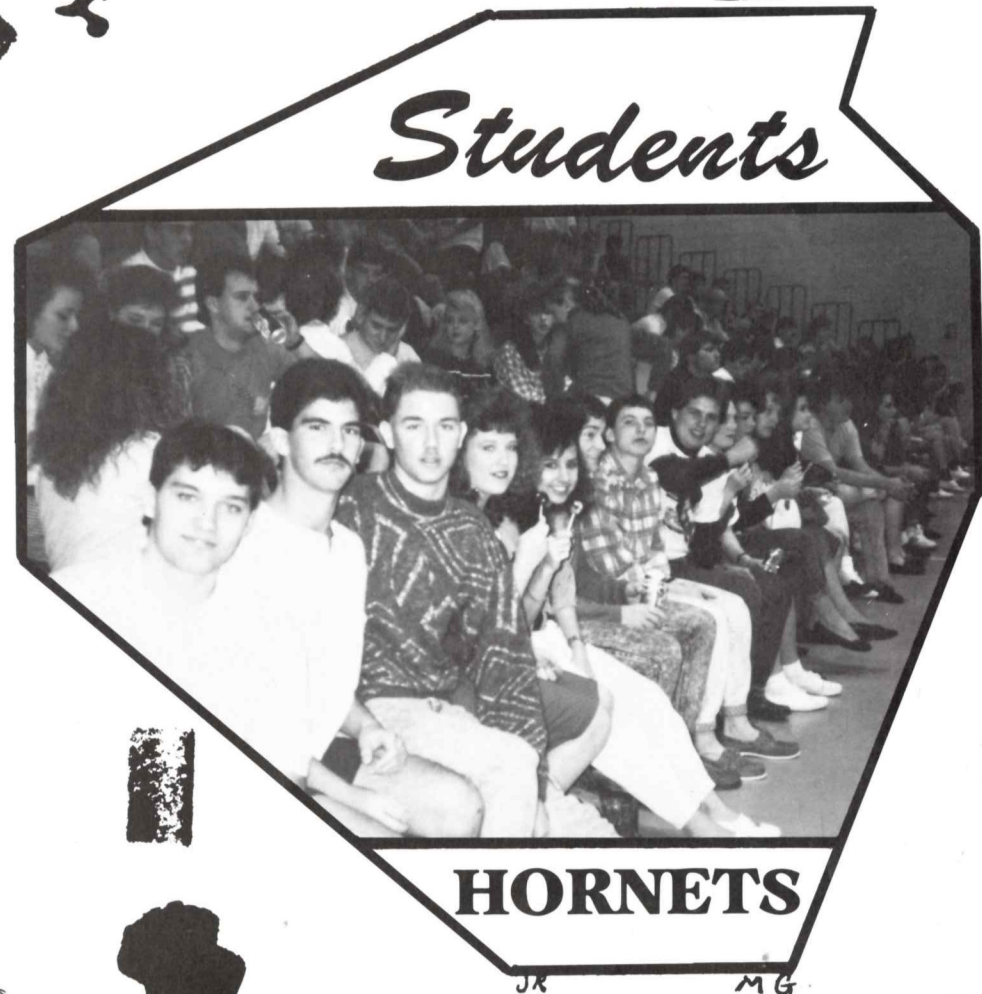

This year's Annual Staff has completely started over. The new staff is sponsored by Mrs. Judy Raiola, its functions are coordinated and announced by Business Manager, Kristi Holmberg, and the public is reached one on one through Public Relations Manager, Shane Parker. Other staff members are: Christy Morgan, Linda Carter, Kim Gordon, Bobbie Canfield, Kim Hargrove, Mark Dock and Stuart Pierce. Each member has the responsibility of capturing the magic of the moment in everything from everyday school life to the prom.

Being on the Annual Staff requires dedication and determination. There are always pictures to be taken, pages to be finished, deadlines to be met, and activities, to prepare. However, even with the responsibilities, Annual Staff members enjoy themselves and have a feeling of accomplishment at the end of each year. When you can hold the annual in your hands and think "Hey, I helped make this yearbook what it is!" then you know the work was worth it.

The Junior class has gotten off to a good start this year with enthusiastic volleyball games during breaks. They have shown exceptional school spirit as they competed against other classes, making their mark in the halls of East Central. The prom committee has also worked hard to create a memorable occasion for both the Junior and Senior Class. The Junior Class has four members on the Student council: **Kasey Corkhill, David Lapointe, Bridget Ehlers, Meloneese Wells.** These four members help conduct all of the student voting and fight for the rights and privileges of the Junior class. The Class of '91 will be remembered for their cooperation in all endeavors.

SOPHOMORES — *Shaping Their Lives*

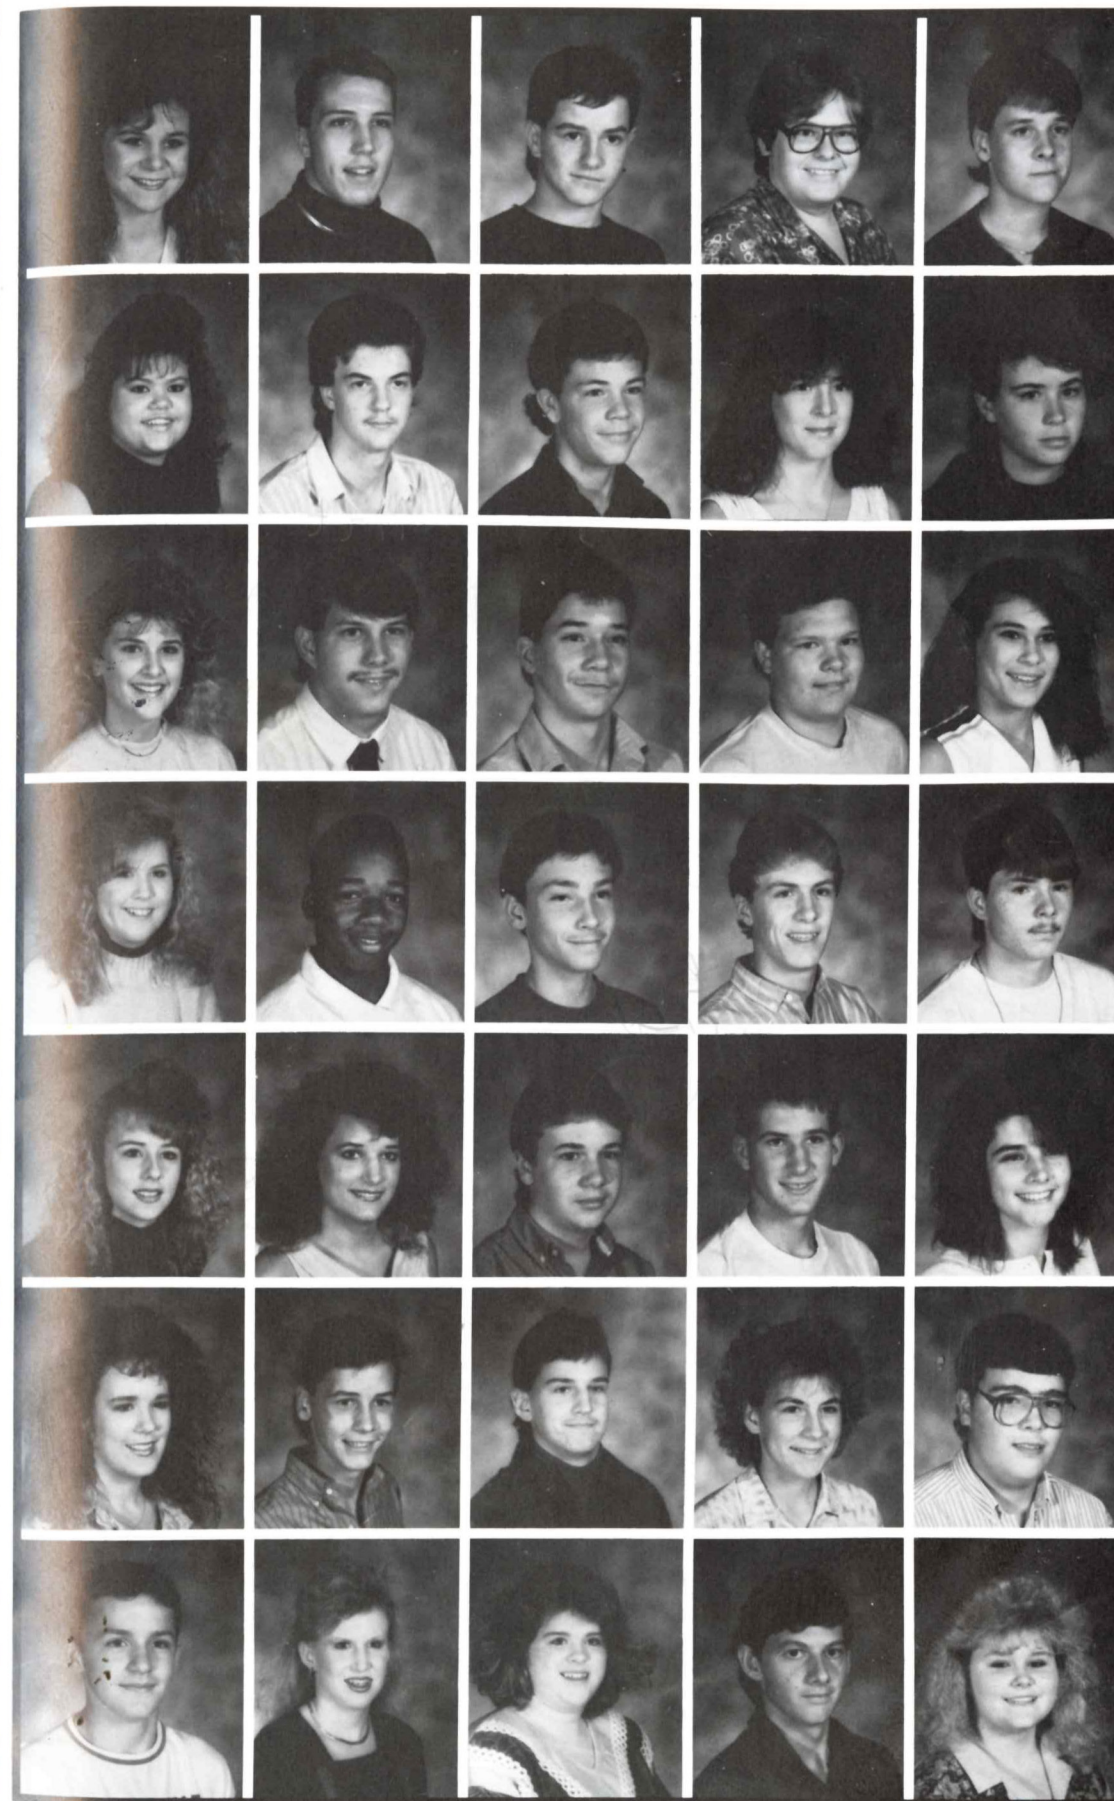

The Sophomore Class is eager to excell, trying to prepare themselves for what lies ahead. The year is a turning point in maturity and individuality. Instead of always choosing the same trendy styles of music, clothing, and even language, sophomores begin to think for themselves and choose for themselves. There is a growth of independence which often clashes with parents, teachers, and even friends. Often people who only want the best for us limit our growth by enforcing their ideas, and then wonder why we "rebel." Indeed it has been a year of changes; a year closer to graduation! **Linda Carter** stated, "It is a unique experience; quite different from being a freshman."

Our Helpers

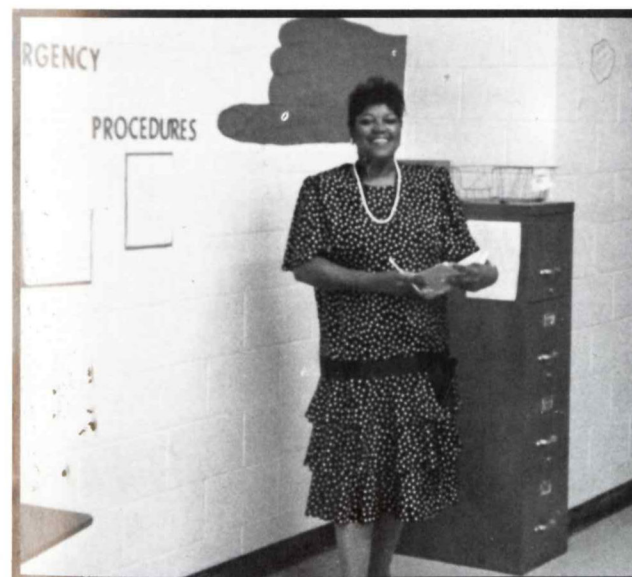

East Central depends on the assistance of our support staff each hour of each day. They are the backbone of our school. Thank you to each and every one of you. Mrs. Debra Huff, Mrs. Sara Watson, Mr. Duer, Mrs. Shirley Cripps, Mrs. Iva Jo Webb, and Mrs. Sharon Walding. Those not pictured but have given their support is Mr. Ronnie Moore, Mr. Steven Fairley, Mr. Benny Hearndon, Mr. Karol Fortenberry, and Mr. Grady Ely.

Dedicated to . . .

Mattie Wells

Everyone agrees that Mrs. Mattie Wells has made a positive impression at East Central Middle School. For her dedication and caring involvement with her students the Middle School teachers have dedicated this page. Mrs. Wells attended Jackson State University to receive her BA Degree while raising her family. She started her family early but was determined to obtain her degree. East Central has been honored to have Mrs. Wells teaching eighth grade English for the past sixteen years. A member of First Christian Church of Moss Point, Mrs. Wells tries to instill in her students that a firm faith is a firm foundation for life. Her goal in education is to prepare her students for future classes as well as for life. Her four children Marcus — 18 (who has just received a full football scholarship to Mississippi College), Marlon — 17, Marcell — 11, and Marrissa — 6, are very proud of their Mother. Stated Mrs. Wells, "I view each day as a new and rewarding challenge so I do things for my church and my school. My students are generally well behaved and that makes my classes a pleasure." Over 150 students are the responsibility of Mrs. Wells and she handles them with confidence and great ability. She looks forward to each year at East Central.

Winners — Positive Proof

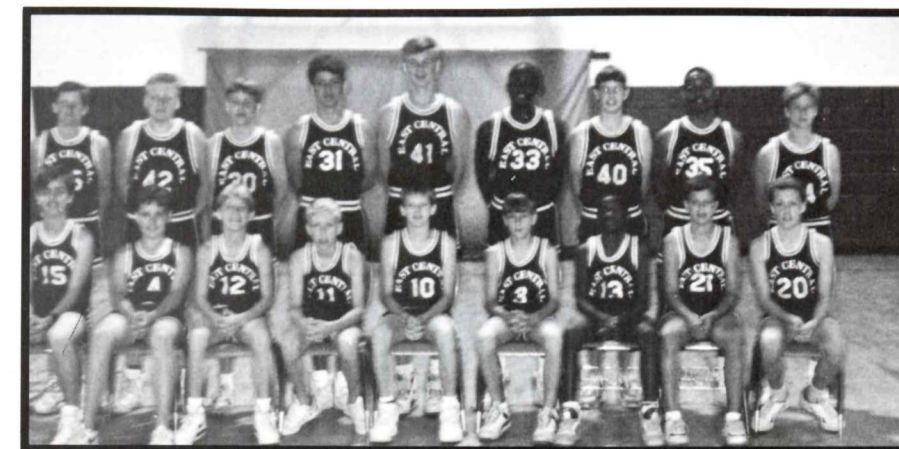

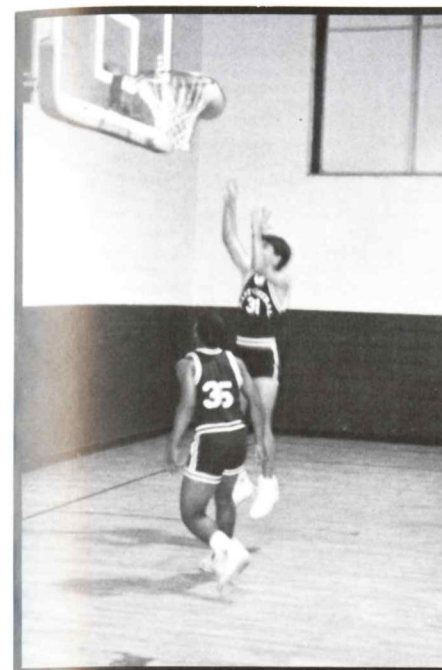

On August 7 through 9, East Central Middle School Cheerleaders began the grueling task of summer camp. For three days, squad members drilled dance routines, cheers, and gymnastics. The dedication and exhaustion paid well. Cheerleaders received three first place ribbons and one second place ribbon from the camp director's end-of-week evaluation.

The girls began the season's first pep rally with a jello-eating contest. Other pep rally highlights included a spoofed visit from Perry Central's homecoming court. The last pep rally featured a balloon toss contest which had teacher-student teams trying to keep the Middle School gym floor dry.

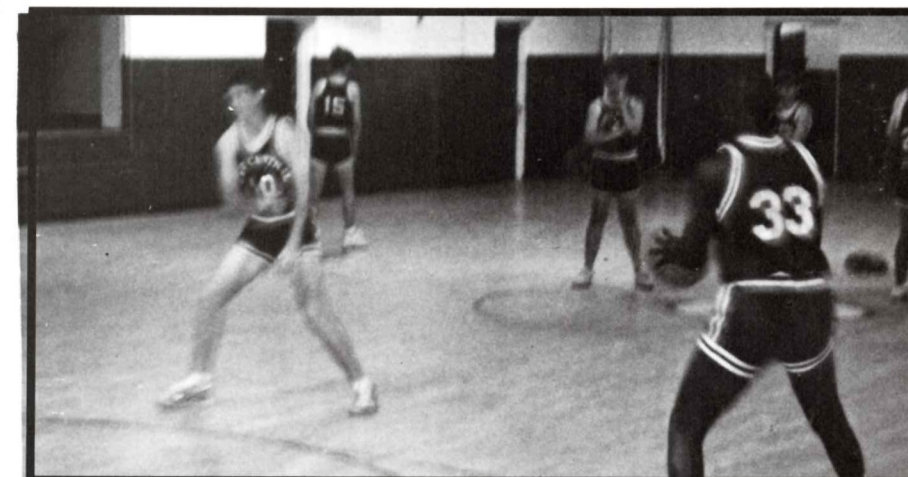

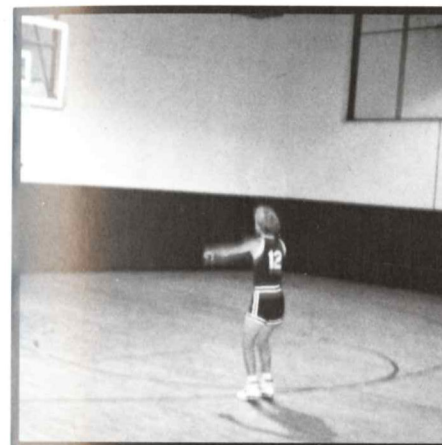

The cheerleaders spent countless hours planning and carrying out these zany pep rallies. But, it's been rumored that the favorite pep rally included a cellophane wrapped and a cool-whip covered face. Who can really say? They were all such fun!

The Sound of the Buzzer

. . . Bzzz! That sound brought the Middle School Boys' Basketball team to its first victory.

This year the middle school basketball games brought fans to the stands cheering for point after point, but it took more than screaming fans to win the games. The boys practiced and worked hard this season under the coaching of Mr. Owens.

The middle school team was made up of new seventh and returning eighth graders. They have all worked hard and cooperated together as a team. We look forward to next year's team with enthusiasm and excitement.

Hoopin' It Up . . .

As the basketball heads for the hoop the crowd stands with growing anticipation. YEA!! The girls win the game by one point in the last two seconds of the game. It seems that their hard work and effort has paid off. Coach Beverly Riley has worked hard with these girls this season. The long hard practices contributed to the improvement of the team. Next year most of the girls plan to return or join the high school basketball team. The best part is the team did the best that they could whether they won or lost.

Mr. Stewart, as well as the rest of the administration, take great pride in everything they do in the elementary department at East Central. The elementary administration consists of **Brad Stewart** — Principal, **Loretta Goff** — Assistant Principal and Counselor, and **Paula Lucas** — Secretary. The students of East Central are very appreciative for the pride and determination this group displays in creating a safe, responsible, and enjoyable environment in which the students can learn to become outstanding citizens. They have, after all, our **future** President of the United States.

The faculty voted the 1990 dedication in honor of **Mrs. White**. She has been at East Central for 29 years and has a B.S. Degree in education. Mrs. White is currently teaching the second grade, and has also taught first and third grade. She taught the reading lab the first year it was implemented. Mrs. White is a member of Magnolia Springs Assembly of God and has one son and five grandchildren. We are proud to have her as a staff member at East Central.

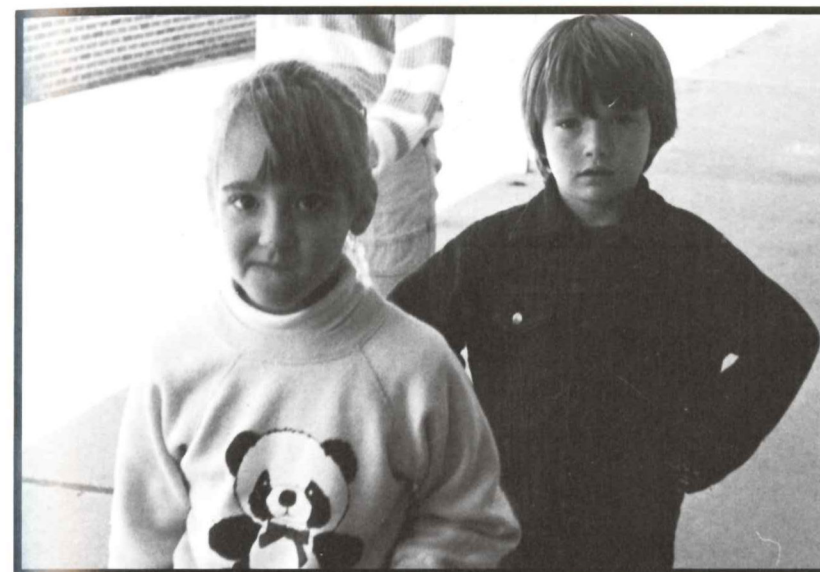

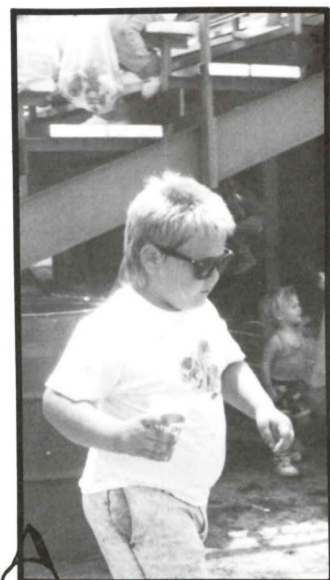

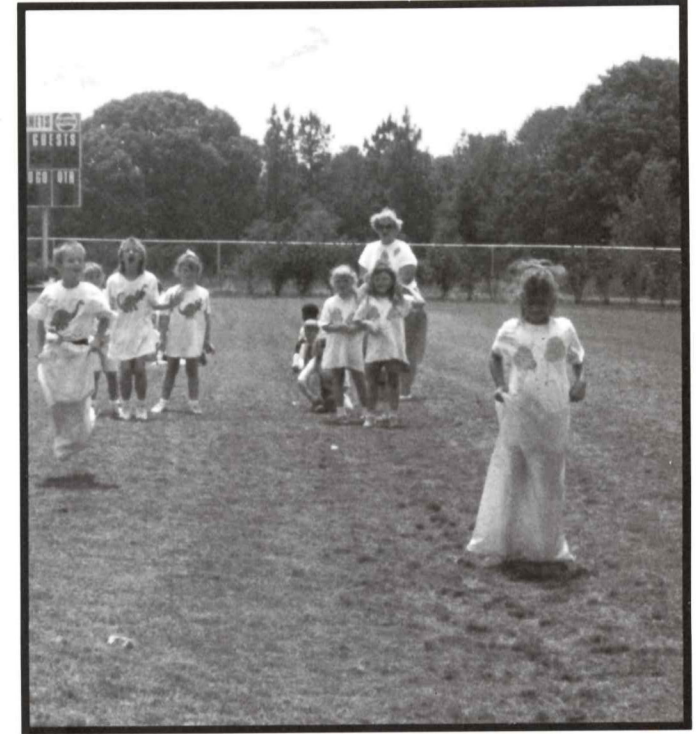

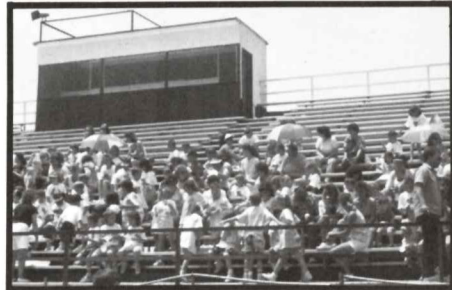

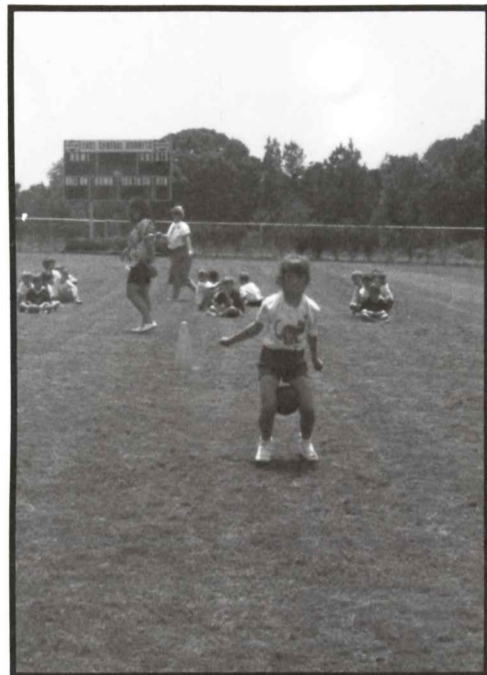

Mrs. Sallie White

The Middle School is proud to call **Mr. Duer** part of the family. The faculty voted the 1990 dedication in his honor. Mr. Duer has been at East Central for 12 years, but his glorious history began several years ago. He was in the Army Air Corps during W.W. II serving 32 months and 2 days. Then, he served in the Korean War. Mr. Duer enjoys gardening and piddling around the house. His daughter, Mrs. Cecilia Corkhill, speaks often of her pride in her father. We are proud to call him one of ours.

Mr. Howard Duer

A Salute to America

A Salute to America was this year's theme for the East Central Elementary Beauty Pageant which was held on April 21, 1990 at 7:00 p.m. in the high school cafetorium. The pageant was sponsored by the Band Boosters to help fund the East Central Band. The Master of Ceremony was Mr. Walter J. Brown with excellent talent presented by Amanda Hall, Elaine Holley, and Aimee Smith. Enthusiasm and excitement ran high with all expectations at their highest. The Parade of Beauties gave the audience a glimpse of the majestic beauty of the East Central girls. The trophies in each category were presented by the 1989 winners. Miss Cathy Clark presented the Wee Miss trophies, Tiny Miss was presented by Lyndsi Lowe, and Little Miss was presented by Miss Keisha Sims in the absence of Miss Lucy Short. Petite Miss awards were presented by Miss Amanda Hall with Junior East Central Miss presented by Miss Lindsey Weston and Miss Elaine Holley. Final presentations were the Pre-teen Miss made by Miss Aimee Smith. Each girl crowned is truly worthy of her title. A lot of time was spent in preparing for this pageant but it was an inspiration for all girls to seek to become the best student and model citizen they can become. The girls enjoyed the evening and the audience was one of the best.

Rediscover history, explore the past at the Old Spanish Fort and Museum

The Mississippi Gulf Coast has lived under eight flags: French, Spanish, English, Republic of West Florida, Magnolia State, Confederate, State of Mississippi and the United States of America.

Within the walls of the Old Spanish Fort in Pascagoula, part of a French outpost built in 1718, have been collected many artifacts and historical items that represent centuries of the life and traditions of the people of the Gulf Coast.

Now this collection is on display in a modern new museum, built by the **Jackson County Board of Supervisors** and dedicated in 1988. Located next to the Old Spanish Fort, the oldest building in the Mississippi Valley, the museum (shown in accompanying photos) was designed in an architectural style compatible with the 265-year-old fort, that was in actuality a carpenter's shop built on the plantation of French-Canadian Joseph Simon de la Pointe.

The **Jackson County Board of Supervisors** invites you to visit the Fort and Museum and enjoy this fascinating part of our heritage. Open year-round, 10 a.m. to 4 p.m., except on Thursdays and major holidays, admission is \$1 for adults and 50 cents for children. Student tours are available with special rates. For more information, please call (601) 769-1505.

In Loving Memory of

Everyone knows the Farmers. We all know that they are industrious, intelligent people who live on Prairie Brooke Road. We also know how closely knit the family is and how they always look after each other. The accident that took the lives of **David and Renee** and injured **Wendy, Joel, Ronnie and Elizabeth** broke hearts throughout the community. We have never understood the why of this tragedy, but we have all seen the strength and love of the Farmers as they stood together and endured. Long before the accident, they were an honored part of our community. Now, while we still mourn the loss, we know in a new way the profound depth of faith in **God**, graciousness, and love for each other that mark this family as one built on the Rock.

Heart Gifts

It's not the things that can be bought
that are life's richest treasure,
It's just the little
"heart gifts"
that money cannot measure . . .
A cheerful smile, a friendly word,
a sympathetic nod
Are priceless little treasures
from the storehouse
of our God . . .
They are the things that can't be bought
with silver or with gold,
For thoughtfulness and kindness
and love are never sold . . .
They are the priceless things in life
for which no one can pay,
And the giver finds rich recompense
In Giving Them Away.
